

Assistant Manager - Tsulton

We are recruiting for an Assistant Manager to join our Breeding and Broodstock team at Tsulton, our land-based Broodstock site located on northern Vancouver Island. Reporting to the Site Manager, this role is a vital part of our farming process to produce the next generation of salmon in a sustainable and efficient way and assist the Site Manager with all aspects of site work to ensure a safe and positive work environment.

Qualifications:

- Grade 12 plus 3+ years' experience in salmon farming or equivalent combination of education and experience
- Post-secondary aquaculture certificate or diploma preferred
- Demonstrated skills and experience in providing leadership to a team and supporting all aspects of personnel management
- Good critical thinking abilities, decision-making skills and sound judgment
- Highly organized with an acute attention to detail, able to manage multiple priorities and meet deadlines for egg production
- Good communication skills
- Strong interpersonal skills (i.e., approachable, empathetic) including the ability to develop effective relationships and successfully resolve conflict situations
- Basic computer skills (e.g. Aquafarmer, word processing, spreadsheets and databases)
- Highly motivated, positive outlook and positive attitude towards work
- Physically fit, able to endure long hours of strenuous activity

What we offer:

- Competitive industry wages and full-time, year-round employment
- Camp shift of 8 days on and 6 days off
- Comprehensive Flex Benefits Plan including Life & Disability Insurance and a pension plan
- Wellness Program including an annual wellness reimbursement
- Potential for Annual Bonus
- Company provided PPE
- Transportation provided from our Campbell River marshalling point

Wage: \$30.58 per hour

Closing date: April 26, 2024

To be considered for this opportunity with a progressive, growth-oriented company, please submit your resume and cover letter online at: <https://mowi.com/caw/people/vacancies/>
