

Associate Financial Consultant position with Investors Group

Sonia Edwards, Division Director with the Investors Group Campbell River region office is seeking a highly motivated individual to join her team as an Associate Consultant. This is a great opportunity for those interested in a career in financial planning. Investors Group has a great training and mentorship program for candidates interested in financial planning, but come from different industries.

Career description

As an Associate Consultant, you will work closely with Sonia Edwards to provide financial advice to clients, by aiding in the development, review and maintenance of their written financial plan. Career growth and advancement opportunities are possible.

Qualifications

The successful candidate will have proven experience working directly with clients to provide a quality service while also building and strengthening the relationship. This candidate also brings with them the following:

- Strong communication skills.
- The ability to work well in a team environment.
- Experience with contact relationship management systems.
- Self-confidence and self-driven attitude.
- An entrepreneurial spirit.
- Experience in the financial services industry an asset, but not required.

Company overview

At Investors Group, we firmly believe that building long term relationships with clients is the best way to help them reach their financial goals and we've been doing it for over 90 years. Investors Group is a part of IGM Financial Inc. and a member of the Power Financial group of companies. Visit www.investorsgroup.com/en/who-we-are to learn more.

Interested candidates should forward their resumes by October 21st 2016 to:
