

JOB OPPORTUNITIES

Job Title

Survey Technician – Time Fly In Fly Out - Gahcho Kué Mine, Northwest Territories

Job Description

De Beers Group has an opportunity within the Technical Services Department at the Gahcho Kué Mine based in the Northwest Territories for a highly motivated Survey Technician. Reporting to the Technical Services Superintendent, the incumbent will provide technical expertise in the area of construction, open pit and surface surveying to aid in the open pit production and surface maintenance groups. The ideal candidate is one who is committed to safe working practices and strives for zero harm.

Key Responsibilities:

- Staking production drill patterns and dig limits, ore bodies & dump limits;
- Providing calculations, as-built drawings and records in support of all survey activities;
- Generating daily updates of survey data and maintaining the survey network and control;
- Verifying the accuracy of survey data including measurements and calculations;
- Maintaining drawings and plans according to the applicable NWT regulations;
- Assisting with Dyke Construction layout;
- Establishing and maintaining sound working relationships with co-workers;
- Supporting the mine site-wide with various requests; and
- Care and maintenance of all Survey Equipment.

Qualifications

Formal Qualifications:

- Successful completion of four semesters in Geomatics, Mining or Civil Engineering;
- Three (3) to five (5) years of experience in open pit surveying or a surface mine environment;
- Experience using mining software (Gemcom, AutoCad Civil 3D, Deswik);
- Experience with Total Stations and GPS equipment;
- Intermediate computer skills, specifically in Microsoft Office;
- Ability to work independently, think proactively and plan your own job (time & task management);
- Ability to work under pressure;
- Ability to share information verbally and in writing with different teams; with
- A proven commitment to zero harm to people, environment and equipment.

Company Description

**Be part of the team.
The team that makes it happen.**

JOB OPPORTUNITIES

You communicate openly and enjoy being part of a fantastic team with an unwavering commitment to safety. Come and join us working at Gahcho Kué one of the world's greatest mines.

We're the world's leading diamond company – a unique luxury business that thrives on the creativity, passion and knowledge of our people.

To push our company forwards, we always need to think differently. We welcome diverse perspectives, people who think rigorously and aren't afraid to challenge assumptions.

In return, we provide you with the space and support to grow and achieve your ambitions.

Additional Information

Who we are:

Active in Canada for over 60 years, we are part of De Beers Group, the world's leading diamond company. Globally, we are a team of more than 20,000 people, with operations in Canada, Botswana, Namibia, and South Africa, and activities across the diamond value chain from exploration to diamond jewelry retail. Our unwavering focus on sustainability and Building Forever fuels our commitment to advance standards across the diamond industry, protect the natural world, partner with local communities, and accelerate economic inclusion to support diversity in our business and beyond.

In Canada, we have more than 600 employees working at offices in Calgary, Toronto and Yellowknife, actively exploring for new diamond opportunities, recovering diamonds at the joint venture Gahcho Kué mine in the Northwest Territories, and closing and rehabilitating two mines. We are also advancing the Chidliak Project to establish a technologically advanced diamond mine on Baffin Island using FutureSmart Mining™ principles.

At De Beers, we believe in the power of working in partnership with communities to create lasting, positive impacts that endure long after we recover the last diamond. Our inclusive and diverse workplace values mining with respect for the environment and nearby communities, and we seek team players who share our passion for Making Life Brilliant.

Safety

Safety first is a way of life for us. We are unconditional about the safety, health, and the well-being of our colleagues, at work and at home, and about that of the communities where we work. We aim to lead the industry by investing in innovation to protect people, who are at the heart of our business. Our high performing teams take accountability for their own and others' actions, work collaboratively, and always show care and respect.

Equity, Diversity & Inclusion (EDI)

As a global #HeForShe Thematic Champion, De Beers is committed to promoting an equitable, inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential. Please inform us should there be any special requirements that should be considered as part of your application.

Building forever

Sustainability is at the heart of our decision-making – it is how we do business. Building Forever is key to our purpose as it represents our ambitious and holistic sustainability framework and is central to our ability to deliver long-term value to our communities and partners. This shapes how we protect our social and environmental license to operate, build a long-term legacy in our host communities and earn consumers' trust in our diamonds that they can wear with pride.

Inclusion & Diversity

JOB OPPORTUNITIES

We are committed to promoting an inclusive and diverse workplace where we value and respect every colleague for who they are. We provide equality of opportunity to enable everyone to fulfil their potential.
