**DELEGATED C3 (VOLUNTARY SERVICES)  
SOCIAL WORKER  
Job Opportunity**

**Position Summary:** The K'wak'walat'si Child and Family Services is a Delegated C3 program under the 'Namgis Community Services agency. We offer programs which support and maintain families through voluntary services, social assistance, infant development, early intervention treatment, early childhood development, family support and family violence programs alongside our day care, head start program and recreation centre. Our child welfare focus is in prevention, providing ongoing support, contracting family preservation homes, advocacy and working with local MCFD on matters pertaining to child protection. We aim to have Level C4 (Guardianship) within the next year.

**General Responsibilities:**

- Parent/child/family counseling, intervention, advocacy and/or mediation,
- Individual support and referrals
- Choosing and supporting family preservation homes;
- Formulate and implementation of support plans;
- Maintaining case records;
- Working with other departments around the design and delivery of workshops targeting: parenting, violence, addictions, poverty, special needs, etc.
- Consulting and networking with other service providers;
- Knowing the community resources for the North Island and their referral processes;
- Preserving the identity and culture of the children;
- Following agency protocols and standards pertaining to our delegation;

**Required Education/ Experience:**

- Degree or diploma in social work; or a degree or diploma in a relative field with two years' experience.

**Preference:**

- Previous experience in a child welfare or delegated agency would be of great benefit.
- Applicants who are familiar with the 'Namgis culture

**Note:**

- This position will be required to use own vehicle for transportation
- There will be infrequent on call work for evenings and weekends
- The applicant will be subjected to satisfactory reference and criminal records checks
