---

Keltic Seafoods is a full service off-loading, processing, and storage facility. We have openings in September/October for thirty-five (35) fish processing workers for Salmon and Sea Cucumber processing. All employees work in a friendly team environment and will be provided with instruction and training. Workers will require WSBC approved safety toed rubber boots with tread. Get your name on the list early.

Duties include:

- Grading, cutting and/or and separating fish
- Directing fish to cutting machines
- Rotation between various line positions
- Packaging and/or boxing fish
- Lifting boxed fish
- Maintenance of a safe work space within the employee's control
- Assignment to other duties as required by the Company

Qualifications:

- Good clean "food safe" hygienic work habits
- Able to comply with Occupational Health and Safety Program regulations
- Occupational First Aid certification an asset but not necessary
